

BE A PART OF HISTORY BARTLETT HIGH SCHOOL ACTIVITY COMPLEX

For more information or to learn how to become a sponsor, visit:
bhsactivitycomplex.com
And follow us on twitter ***@bhsactivitycomp***

Bartlett High School is in the process of bringing sports and activities on campus for the first time in school history for football, track, soccer, cheerleading, dance and marching band.

From the day BHS opened we have not had a facility on campus for the students and community to come together for these activities. Through the joint efforts of the BHS Booster Club, Activity Complex Committee, School District U-46, community members and local vendors we are bringing the Hawks home.

To date we have installed new goal posts and completely rebuilt the playing surface. The next task is phase one is the purchase and installation of a scoreboard and sound system. Opportunities for twelve businesses or groups are available to become a part of the founding partners working to bring the Hawks home. Your logo, message or combination of the two will be featured on the new scoreboard which will be seen by thousands of players and fans throughout the course of the year.

We have a multi-phase plan which is structured to be fiscally responsible with how we proceed. Items will not be purchased until the funds required for that item are secured. Through this approach we will build on the momentum of each of the previous successes to complete the next task.

Some of the items that are next in line for the project include:

- Home stands with seating for 2,500 plus a full press box
- Visitor stands
- Permanent Concession/Locker room/ Restroom facility
- Lights
- Artificial Turf

A common question of any potential sponsor is, "how many people will see my sponsorship?" For the 2016-17 season at this point we are anticipating playing just our homecoming game on October 8th. We expect 2000-3000 attendees and a large local media presence. Going forward starting with 2017-18 school year we will have a full schedule of events which consists of 8-10 football games (2000+ attendees per game), 8-12 boys and girls soccer matches (500-750 attendees per match), track meets for boys and girls (500-1000 attendees per meet) and other activities with varying attendance figures.

In addition to the scoreboard signage a replica of your sponsorship will be on our two websites (www.bhsboosters.org and www.bhsactivitycomplex.com for the duration.

Thank you for your consideration. Specific program information is on the reverse side.

Contact Treasurer@bhsboosters.org with any questions.
